Nuria,

We have done away with signatures on our report cover pages. So if you don't need to add your signature for EPA's purposes, we don't require it. But I added a signature line to the attached redline. Let me know if it should stay or be removed.

Thanks,
Kris

Nuria,

Attached is the updated redline. I addressed all comments. Regarding the EPA ID numbers, I added the additional number to the cover letter and I also added both to the text to clarify which number is associated with each location. I also updated this to Revision 2, if ok with you. I'll get the final pdf over to you shortly. In the meantime, let me know if these changes that I added are ok with you.

Thanks,
Kris
